

1st BalticGrid

SUMMER SCHOOL

July 4-8, 2006

Venue:

Tartu University
Institute of Computer Science
Liivi str. 2

Program

Day 1: Introduction to Grid and distributed computing

09:00 - 10:00 *Registration (The lecture building, Liivi str. 2)*

10:00 - 10:30 *Opening words*

10:30 - 16:30 *Introduction to Grid and distributed computing*

Day 2: EGEE - General and practical introduction

09:00 - 11:00 *Introduction to Grids and to EGEE*

11:15 - 17:15 *Practical - introduction to the EGEE middleware*

Day 3: EGEE practical day:

09:15 - 17:00 *From middleware to applications*

Day 4: EGEE - Applications and Web Services on the Grid

09:00 - 13:00 *Porting applications to grids*

14:00 - 17:00 *Web services and grids*

Day 5: BalticGrid: infrastructure and applications

10:00 - 11:30 *BalticGrid: General*

11:50 - 12:20 *BalticGrid: Infrastructure and future plans*

12:20 - 13:00 *BG applications*

14:00 - 16:50 *BG: Migrating Desktop, OCM-G and G-PM*

16:50 - 17:00 *Closing*

Organizers

National Institute of Chemical Physics and Biophysics, Tallinn:

Andi Hektor, tel: +372 5615 0288

Estonian Educational and Research Network, Tartu:

Hardi Teder, tel: +372 505 4128

University of Tartu: Eero Vainikko, tel: +372 522 3440
